## PITMAN POINTS OUT VETS' FINANCIAL CRISIS

By BOB BODEN

The present veterans' financial crisis is nothing new! Paul M. Pitman, dean of men, points out that increased veteran enrollment has created a more acute situation than evolved last year at about this time.

Early in December, 1946, Mu Delta Pi (veterans' fraternity on campus at that time) submitted a list of 228 unpaid veterans to Congressman Jack Z. Anderson, urging immediate action.

## LYCURGUS SALE CONTINUES TODAY

Within ten minutes after Lycurgus hit the stands yesterday, 250 copies were sold, according to Jim Black, sales manager. The magazine was released at 10:20 a.m.

Sales will be continued today, and since only 2500 copies have been printed Black urges students to get theirs immediately. Price is 25 cents per copy. Booths have been set up in the Library arch and in front of the Morris Dailey auditorium to handle sales.

National advertising appears in the feature publication for the first time this quarter, and most outstanding are the two full-page four-color cover ads. The inception of national advertising has made possible a bigger and much better issue, according to Al Campbell, business manager.

Good reports are coming from those students who have already purchased their copies. Especially of interest seem to be the sports articles, "Sparta's Gridiron" and "Water Polo." Also winning the approval of many readers is Marian Ellis's article on "The Ideal Coed."

## LIBRARY BOOKS

All library books must be returned by Tuesday, December 16, and all fines must be paid, according to Miss Barbara Wood of the library staff.

Individuals' grades will be withheld until all fines are paid at the Circulation desk, and all books are returned.

## OFF THE WIRE

LONDON, Dec. 11. (UP)—The Big Four foreign ministers, carefully avoiding a showdown now on German reparations, agreed today to raise the limit on Germany's steel production capacity from 7,500,000 tons to 11,500,000 tons annually.

NEW YORK, Dec. 11. (UP)—The Major League meetings were reported today to be "leaving the doors open" for a total of four Pacific Coast League clubs to enter the National and American circuits.

NEW BRAUNFELS, Tex., Dec. 11. (UP)—Fires still burned early today through the wreckage of two Missouri-Kansas-Texas railroad passenger trains which collided head-on late last night, killing at least two crewmen and seriously injuring five others.

## BETA GAMMA CHI BECOMES ALPHA CHI OMEGA

Beta Gamma Chi becomes the second campus society to effect national affiliations when its members informally pledge Alpha Chi Omega, national Pan Hellenic fraternity, this Sunday, announces Bev Clay, Beta president.

Pledging ceremonies will be held at the University of California chapter house at Berkeley. Twenty-nine Betas will receive A-Chi-O pledge pins at the ceremony after which they will be entertained at tea. Miss Wilda Merritt, adviser for the group, and Miss Helen Mignon, charter member, will also be pledged.

Beta Gamma Chi was organized in 1899 as the Browning Literary Society. Members of Beta celebrated the society's 48th birthday at Wednesday night's meeting.

1885 is the founding date for Alpha Chi Omega which was started as a music society at De Pauw university. There are 70 active chapters in the country.

The fraternity's chief philanthropic enterprise is the permanently endowed MacDowell Colony in New Hampshire. The colony is a retreat for young men and women aspiring in various fields of artistic endeavor.

Formal pledging and installation will take place late in February, according to Mrs. W. L. Shephard, president of the local Alpha Chi Omega alumnae.

## RUSHING RULES GO INTO EFFECT

Sorority rules for the rushing of women students will go into effect Friday, December 19, announced the Inter-Society Rush Captain Dorothy Burleson yesterday.

She stated that no society member may have an engagement off campus during rushing season with a girl her society is rushing. This will include "coke" dates and double dating.

Miss Burleson went on to explain that there shall be no society publicity in the Spartan Daily or city papers from the time of final week of fall quarter until after pledging. "However, if a society is accepted by a national sorority, this news may be published," stated the rush captain.

## NEWMAN-DTO GAME

San Jose State students will be able to attend a basketball contest in the local gym tonight when the Newman club meets the DTO five at 7:30.

The contest will be the first for both quintets and there will be no admission charged. Don Titcomb is in charge of the frat boys while "Scrappy" Squatrito is handling the Newman athletic activities.

## CAFETERIA OPEN

The cafeteria will be open the same as usual, 11:30 to 1:00, on Monday and Tuesday during final week, reports Mrs. Fern Wendt, manager. No meals will be served Wednesday or Thursday in the cafeteria.

President T. W. MacQuarrie will present diplomas to graduates receiving A.B. degrees. Also present will be Deans James DeVoss, Jay C. Elder, P. Victor Peterson, Paul Pitman, and Mr. Joe H. West, registrar.

## 75 STUDENTS WILL TEACH IN WINTER

A total of 75 Education majors have thus far signed up to do student teaching during the winter quarter, Dr. William G. Sweeney, department head, announced yesterday.

The breakdown, as supplied by Miss Roberta Armstrong, Education office secretary, shows General Elementary student teachers to be the most numerous with 20, second is Music with 14 representatives, and Kindergarten-Primary in third place with 12.

The Music department students are those working towards a Special Secondary credential.

Other Special Secondary students signed up for student teaching total ten from Industrial Arts, Men's P. E. five, Women's P. E. four, Commerce four, and Speech one.

Five students in General Secondary work are listed, too. Tabulations from the Art and Home Economics departments have not been received as yet.

The neophyte instructors will work in various schools throughout the county, including San Jose and Palo Alto city schools, said Miss Armstrong. "The 75 represent a good quarter average," she added, "but it is not an unusually large group."

## PRESIDENT VISITS CAMPUS TODAY

Mrs. Ava Comin Case, national president of Mu Phi Epsilon, music honorary sorority, is visiting the campus today as guest of the San Jose State college chapter, announces Jane Pope, local president.

Mrs. Case is in San Jose to choose two delegates to represent this campus at the national music convention in Cleveland, Ohio, this summer, explains Miss Pope.

"The national president will tour the campus all day, visiting with the various department heads," remarks Miss Pope. "Then Mrs. Case will watch model ceremonies of the sorority at the home of Barbara Wells, sorority member. Auditions will also be held at this time to determine who the delegates will be."

The guest of honor will attend a dinner party at Rickey's Studio Club tonight to round out the day's activities, concludes Miss Pope.

## BITS OF BANTER

By ABNER FRITZ

This column would like to salute the Student Y publication which was brought to our attention the other day. While not so spectacular as the Spartan Daily, this mimeographed newspaper shows in its pages the results of earnest effort, by presenting a lot of timely information.

...And while are are on the subject of saluting, the ROTC uniforms have arrived and have been stored in one of the barracks near San Carlos St. Pretty soon our own little khaki-clad army will burst forth in full military regalia every Friday, reminding all us old vetruns and heeroos of bygone days.

... We liked the sportsmanship displayed my those who entered the Novice boxing tournament. Congrats to Dee Portal, the managers, boxers and all those who had a hand in making this year's fisticuff fiesta the big success that it was.

It's too bad that nations can't settle their differences in a ring, and then after the decision has been announced, walk over and congratulate the opposition on a good fight.

... We read, and highly recommend Bill Mauldin's latest book, "Back Home." This well known cartoonist, whose wartime drawings were widely published, hit more than one nail on the head in his first book, "Up Front."

Now that he has had time to adjust to "normal civilian life" the 25 year old veteran of infantry warfare has directed a few well aimed barbs at some of our present day politicians, and also at some of the situations that exist due to our less talented legislators.

## VETS' BULL SESSION

By HAL SNOOK

Veterans Administration has announced that prima facie evidence will not be accepted as sufficient proof for veterans to establish service connection for medical and dental treatment after December 31, 1947.

On this date, veterans will have had a full year after the President announced the end of hostilities in which to secure treatment on the presumption of service-connection.

The VA takes the position that this should have been ample time for emergency or clearly defined service-connected cases to have received treatment.

The discontinuance of determination on prima facie evidence in no way denies veterans any rights they are granted by law, nor does it limit services given those whose conditions are rated as service-connected.

Applications for treatment received on or before December 31, or after that date with a December 31, 1947, postmark, will be judged on prima facie evidence. But applications mailed after December 31 will have to be formally adjudicated under the regulations before treatment other than emergency can be given.

This ruling in no way affects the year's presumption of service-connection to which all veterans are entitled after discharge.

### Seats Available For Folk Dancing Trip

There are still a few seats left on the buses for Spartan Spinners' trip to Oakland, announces Joan Polek. The Spinners are going to a folk dance festival to be held in Oakland, Sunday.

Sign-up sheets are in the Women's gym, says Miss Polek. The buses will leave Seventh and San Carlos streets at 11:30 Sunday morning.

## KP Group Initiates Five New Members

Five girls recently were initiated into Delta Phi Upsilon, National Honorary Kindergarten-Primary society, on the basis of their outstanding scholarship, stated Dorothy Moody, DPU reporter.

Lois Beuttler, Winifred Boler, Betty Jean Stevenson, Geraldine Oliver, and Marceline Williams were those named to the organization, which meets every two weeks at the home of Miss Mabel Crumby, advisor.

Dorothy Azevedo has been named chairman for the Delta Phi's annual Founders Day dinner, which will be held the second week in January.

## Deseret Members Formal is Tonight

Dono Drage, chairman of the Deseret Club's forthcoming formal dance, announces that the name of the event will be "Alpine Holiday."

The dance will be sponsored jointly, according to Miss Drage, with the University of California's Deseret Club, and will take place this Friday night from nine to twelve in Berkeley. Professor and Mrs. Boyd, of the UC faculty, and Doctor and Mrs. Wayne Kartchner of the San Jose State college faculty will be the patrons and patronesses of the event. Deseret Club is a college organization for Mormon students at non-Mormon schools.

Joyce Kartchner has been named publicity chairman by Miss Drage, and she has named Tom Halversen refreshment chairman. She will be in charge of the decorations committee. The dance will carry out the theme of Swiss Alps and Alpine people.

## Ed Office Exhibits Christmas Spirit

Intellectual gone sentimental might well apply to the novel Yuletide decorations set up in the Education office, room 61, by Mrs. Lorraine Patterson.

In addition to a red satin bow and a sprig of greenery affixed to the outer door and a galaxy of brightly colored stars on the office curtains, an extremely round little Santa Claus holds court on a small table.

Under close examination the speherical torso of the unique replica of Saint Nick turns out to be a global map, with arms, legs, and head attached for effect.

## Mu Delts to Have Christmas Dance

George Link, publicity chairman for Mu Delta Pi fraternity, announces that his group is planning its third annual Christmas party for this Saturday, December 13, at the Alam Rock Lodge.

Mr. and Mrs. Lowell C. Pratt, and Mr. and Mrs. Wilbur F. Lulck will be the patrons and patronesses of the affair. David Cassin, member, is chairman, and will have three sub-committees, stated Link.

Cassin, Ted Lindner, and Link will be in charge of entertainment; Al Grass and Tom McColey, refreshments; and Dudley Blabon, Harry Morse, George Willey, and Bob Wheeler, decorations.

### SPARTA'S A WRECK

Dear Thrust and Parry:

I visited San Jose recently and was amazed at the appearance of the college grounds. Do they still have gardeners and janitors at the school?

The place looked a wreck and the entrances to many buildings were just plain filthy. It is about time the powers that be at San Jose got on the ball—the war has been over for some time—there is no excuse for poor housekeeping now.

## FIRST METHODIST CHURCH

FIFTH AND EAST SANTA CLARA

Are you dough-shy? Get us! We give the stuff away. Folding money, too. Yes sir, Pepsi-Cola Co. pays from \$1 to \$15 for gags you send in and we print. Why worry about an honest living? This is easier. Just send your stuff, along with your name, address, school and class, to Easy Money Department, Box B, Pepsi-Cola Co., Long Island City, N. Y. All contributions become the property of Pepsi-Cola Co. We pay only for those we print.

There's nothing to it—as you can see from the samples below. If, by coincidence, the words "Pepsi-Cola" turn up somewhere in your gag, don't worry about it. We don't mind. (Matter of fact, we kind of like it.) So start your stuff in now—for Easy Money.

## GOOD DEAL ANNEX

Sharpen up those gags, gagsters! At the end of the year (if we haven't laughed ourselves to death) we're going to pick the one best item we've bought and award it a fat extra

\$100.00

## LITTLE MORON CORNER

Our well-known moron-about-campus, Murgatroyd—now a student in the school of agriculture—has developed a new theory on sheep-feeding. He makes a daily ration of Pepsi-Cola an important part of their diet. "Duuuuuuuh, of course," said Murgatroyd recently, when questioned as to his reasoning, "everybody knows that Pepsi-Cola is the drink for ewe!"

\$2 apiece, believe it or not,  
for any of these we buy!

## Get Funny . . . Win Money . . . Write a Title

This is easy as falling off a log. A small log, that is. Just send us a caption for this cartoon. The best line gets \$5. Or you can send in cartoon ideas of your own. For cartoon ideas we buy, we pay \$10 apiece . . . \$15 if you draw them.

## HE-SHE GAGS

If you're a He, and know a She—or vice versa—this should be your meat. Here's your chance to strike a blow for the home team in the battle between the sexes—and maybe win three bucks besides!

He Ubangi: I hear that Mbongo has left his wife.

She Ubangi: Really? Why?

He Ubangi: He says that every time she drinks a Pepsi, she smacks her lips, and he can't stand the clatter.

He: Why do you call my date "Pepsi," when her name is Betty?

She: Oh, we all call her "Pepsi" because she goes with anything!

He: I never knew what real happiness was until I married you.

She: Darling!

He: Yes, and by then it was too late.

Three bucks apiece for each of these we print. Let your conscience be your guide.

## Daffy Definitions

Here's a column that must have some deep underlying significance. Darned if we know what, though. All we know is that these rate a buck each—and the daffier, the better.

Frustration—having a Pepsi-Cola and no bottle-opener.

Stork—bird with a big bill.

Professor—textbook wired for sound.

Thirst—obsolete term; dates back to pre-Pepsi-Cola era.

Cooperation—one bottle of Pepsi with two straws.

Paying \$1 apiece for these is like giving you a license to commit burglary. But—\$1 apiece for those we buy.

## HOLIDAY HAPPENINGS

By DAN WECK

VIC McLANE, of the Student "Y" will probably have one of the most exciting Christmas vacations, as he will marry Miss MARSHA LaGRAVE in Sacramento. Miss LaGrave is a student nurse here and at the San Jose Community Service Hospital. Vic claims that he is well on the road to being a nervous wreck over the rush of re-modeling his house in time for the wedding, getting ready for the wedding, and trying to study for finals.

STANLEY KELKER, of Alpha Phi Omega, will go home to Cayucos, California . . . and KIETH KERWIN will spend his Christmas day searching for Santa Claus at home in San Luis Obispo.

DALE and RON LA MAR, of the singing La Mar family, will spend their Christmas vacation at home with their family in San Jose . . . DOLORES FOSTER will spend the occasion at home in Oakland, loafing, and her friend, MARGARET CURRIE, will return home to near-by San Leandro to work . . . RICHARD MARTIN will spend his vacation time working and sleeping in this city, which is his home . . . GRACE PISA will return to San Francisco to welcome old Saint Nicholas . . . PATSY PAISGAARD will go home to Sanger, near Fresno, for the holidays, while her friend LOIS PIERSON will fly home to Port Angelo, Washington, for the days of festivity.

PERRY BRYANT will go home to Santa Cruz for the Christmas holidays . . . DAVE EDWARDS will spend his holidays skiing. FOREST COLLINS will go home to Oakland for the holidays, as will ART CHRISTIANSEN, also from Oakland.

DUANE PETERSON will work in San Jose until the day arrives, and then he will return to his home town, Gridley, Calif. . . . GENE HARTMAN will spend the Holy Day in Salinas, and CHARLES ANDERSON will stay in San Jose, as his home in Missouri is too far away to return to and from in the short and divided vacation allowed.

JOHN McDONALD is going on a hunting trip to Montana over the holidays . . . NORMA HERRING, secretary to the Dean of Women, will spend her holidays here in San Jose working . . . MARTY TAYLOR, former ASB prexy, and his wife CLAIRE (nee CUMMINS) will spend the holidays in Woodland visiting her parents . . . DOROTHY WAGNER will go home to Tulare for Christmas . . . and JAMES ELIOTT will go to Woodland, his home, for the big day. . . RICHARD SCOTT will stay home in Sunnyvale for most of the vacation, but will spend three days participating in the winter sport of skiing . . . RAY BISHOP said he would spend his vacation at his home here in San Jose promoting a stupendous show of some kind.

ROBERT MERRITT is another who will stay at home for the holidays, but he plans to catch up on his reading and, (believe it or not) his studies.

## A GIFT FOR HIM!

Miss Sparta . . . why a last minute Christmas shopper? Why fret about HIS Yule present? A beautiful CLASS RING is the answer to your shopping problem. He'll treasure it. Available now . . . the official class ring.

Roy Wilkens, Paul Hudson's campus representative, announces that the official class ring is on display now at Hudson's Jewelers, 275 S. First. See it right away. Make it the worthwhile Christmas gift THIS CHRISTMAS.

## HOLIDAY HAPPENINGS

By DAN WECK

FRAN and TOMMIE WILDMAN, of 145 E. Spartan City, have secured their first Christmas tree for their little home in the village. The tree is especially in honor of their very tame pet "Gizmo," the turtle, whose scientific name is: "Tortoise, Gopherus Agassizii." He was presented to them by this reporter and the Science department as a result of Spartan Daily efforts to get them a quiet, harmless pet for their little home in East Spartan City. The only drawback is that "Gizmo" is hibernating. Merry Christmas to "Gizmo."

A. A. WEBER will spend his Christmas day in Santa Cruz, resting up from the daily commuting between that city and the Spartan campus during the year. . . . ADA and HAROLD GLUTH will be spending Christmas visiting her family in Eureka . . . while there they expect to see a great deal of Harold's Tri-Gamma Fraternity brother, DONALD GIFFORD, who also hails from Eureka . . . JOAN MOTE will go all the way to Salt Lake City to spend Christmas at home with her family. She very much regrets that the vacation isn't better planned so that she could spend more time at home.

BETTY DUGANZICH, of Mountain View will spend her Christmas vacation at home in Mountain View, while BOB ELDRIDGE will spend his holidays marking down the grades onto the student record cards in the Registrar's office.

BILL SWASEY will divide his Christmas vacation time between Santa Cruz and San Francisco. . . . San Jose is the home of BARTON JOHNSON, who will spend his holidays here with his mother. . . . LEW JONES will spend his holidays at home in San Jose, working part of the time at the Spartan Book Store . . . MARJORIE MEHALICH will go home to Roseville for the big occasion . . . DIANNE DONOVAN and ANNABELLE WASSERMAN will spend the major part of their vacation at Mount Rose, skiing, while their friend JOY DODDS will go home to Sacramento for the holidays . . . BEVERLY MARTELLA will go home to Napa to help welcome Santa Claus there, and LEN WALLACE will return home to Santa Cruz for the holidays . . . DON DeGELLER will go to Reno for the big vacation time.

FRANK and JEAN FARR will go to Vallejo to visit his parents for two or three days around Christmas, but they will spend most of their time in and around San Jose where Frank is working . . . HARVEY KENT will go home to Oakland to relax for the ten days off from studies.

KATIE JONGEWAARD has sentimental journey in front of her, as she is going home to Inglewood, California, to see her brother for the first time in over a year. . . . CLIFF WURFEL is going home to Hayward, California for the holidays.

The first baby born in 1948 to a San Jose State college parent will be a lucky one, according to Jim Caputo, "First Baby" contest editor.

Sponsored by San Jose merchants and promoted by the Spartan Daily advertising staff, a "First Baby of 1948" contest will get under way at the first stroke of the new year, Caputo announced yesterday.

Following certification of a baby as official winner by Jim Caputo, the lucky newcomer will be in line for a belated Christmas in the form of prizes contributed by Spartan Daily advertisers.

A picture of the baby, accompanied by its proud parents, will appear in the Spartan Daily and the parents will be guests on the radio program "Spartans On Review," Caputo said.

In submitting applications, rules must be observed as follows:

1. Give name of both parents. One parent must be a regular registered student of San Jose State college.
2. Give year in college and objective of parent attending college.
3. Give date, hour, minute and place of birth of baby.
4. Give name, sex and color of eyes of baby.
5. Be sure name of attending physician is given and your application brought to: First Baby Contest Editor, Spartan Daily office.
6. Contest closes three days after first entry has been made.
7. All entries are subject to verification.

## Few Bids Left For Art Club Dance

Only a few bids remain for the Alpha Gamma, art club, Christmas dance, "Snowflake Fantasy" to be held tonight in the Saratoga Foothill club, according to Ed Kincaid, president.

Bids at \$1.50 plus tax may be obtained in the Art department office.

In an atmosphere of yuletide gaiety, guests will gather about a cheerful hearth to sing Christmas carols. At one end of the room will be a tall fully decorated Christmas tree.

## Book Exchange Future Uncertain

"A-Phi-O members are not yet certain that they will be able to hold a Book Exchange at the beginning of the Winter quarter," states Bill Lundy.

Lundy, vice-president of Alpha Phi Omega, national service fraternity, is chairman of the exchange which is sponsored by A-Phi-O quarterly.

"At present Student Council members Hal Riddle and Doug Morrison are investigating possibilities of using the student body office over the Spartan fountain," said Lundy. "If this place is unavailable we will be forced to find some other suitable locality, where we can collect and sell books."

Lundy emphasized the fact that the members of A-Phi-O wanted to hold the exchange because it meant such a big saving for so many students, but that they had encountered difficulty in finding a spot where the Student Book Exchange could be held.

## Students to Attend Utah Speech Meet

Laverne Galeener, Rudy Gerken, and Paul Gormley will represent San Jose State college at the Speech Association of America Student congress at Salt Lake City, Utah, announced Mr. Wilbur Luick, director of the Forensic squad and instructor in Speech. The Congress will meet December 29, 30, and 31.

The Spartan trio has requested to represent Egypt at the Student Congress which will be modeled as a United Nations organization. Galeener, Gerken, and Gormley will be responsible for introducing a resolution concerning with Egypt's place in the international world.

Confirmation of the request to represent Egypt or an assignment of an alternative country, is expected in the next few days, stated Luick.

The Student Congress will be held concurrently with two other conventions: the Speech Association of America and the Western Speech Association of America. Some members of the Speech and Drama department faculty will be present at these conventions.

## SPARTAN MATMEN LOSE TO SAN QUENTIN TEAM

San Jose State college's wrestling team tied for first place with San Francisco State college in the annual Northern California Novice tournament marathon held at the San Francisco Central YMCA recently. The teams had 16 points. California was third with 10, while Alameda NAS was fourth with 8.

The Spartans took only one first place, but they garnered enough second and third places to place in a tie with the Gators who took three division championships.

Ernie Paramo won his second championship in as many nights as he won the 114 pound class. He captured the Spartan Novice boxing crown previously Friday night.

Other Spartans who placed included: Hank Rosendin, Will Drew, Ray Scoffone, and Phil Bray.

In the morning, the Spartans lost a close tilt to San Quentin by a score of 26-10. The Spartans spotted them 10 points. Ray Miser and Pat Felice won their matches by falls. San Jose also took two extra bouts. Winners were Bob Meynard and Don Foster.

## ON THE SPORTS TRAIL

By Tom Rowen

With this column, I am saying goodbye to the Spartan Daily sports staff. I have decided I will have to spend so much time selling Sparta's athletic program to the buying public that I will not have time to help out the incoming sports editor.

It has been a year since I started following the Gold and White teams in the California Collegiate Athletic Association. I have made many friends during the year and hope our friendships will continue.

There are many persons that I personally thank because of their splendid help and cooperation. The list is so long that space will not permit me to print their names. However, I hope they understand my problem and realize how grateful I am for their generous cooperation.

I am not a sentimental person but Friday when I clean out the sports desk for the last time, there is going to be a hard lump in my throat. Pictures, publicity releases, clippings, and notes can bring back plenty of memories.

Remembrances of sitting in a press box or gallery watching Gold and White teams perform on the baseball diamond, gridiron, basketball courts, cinderpaths, or in the squared circle will linger long in my memory.

But now the merry-go-round has come to an end. From now on, I will be seeing that visiting writers have good seats, information, and other matters that go toward carrying out a public relations program.

Many persons believe that

sports writing is an easy racket. Maybe it is fun but there also is a job to do and that job is to find out what happened and try to tell the story in so many words.

All of these memories will be remembered by me for a long time. Perhaps the best memories will be the many friends I have made during the past 12 months. A friend made in the sports world is usually a friend made for life.

## Williams Advances

Walt Williams, Spartan junior varsity football coach and head baseball mentor, advanced to the semi-finals of the San Jose Country Club handicap championships, by defeating Ernie Pieper in the quarter-finals recently.

Williams posted a 66 which was four under par for the round. Pieper scored a 69. Williams who is a former Santa Clara county golf champion, had a 33 for the first nine and knocked in five birdies on the back nine for another 33.

He will meet Paul Rudolph in the semi-finals.
